

## LOADSET GIRDER CLAMP

### Capacities: 1 tonne to 10 tonnes

Loadset Girder Clamps are a versatile lifting tool designed for heavy-duty applications, providing an easy to operate and secure means of attaching a lift point to an overhead beam.

- Available in 1t, 2t, 3t, 5t and 10t capacities
- Easily adjusts to suit any girder width in range
- Bottom eye allows simple attachment of a chain block or lever hoist
- Bottom eye swivels for sideways lifting (50% of WLL at 45°)
- Robust all-steel construction
- Stainless steel ID plates
- Proof Load Tested at manufacture (2 x WLL)

## LOADSET GIRDER TROLLEYS

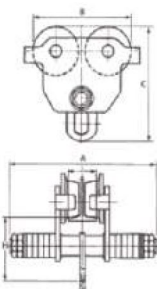

### Push Type

### Capacities: 1 tonne to 20 tonnes

- Lightweight robust construction
- Super-quick adjustment to any monorail
- Durable baked enamel paint protection
- Precision ball bearing trolley wheels
